

WRITING / 1 TOPIC

THE JOB INTERVIEW IS VERY EXCITING AND SCARY FOR ALL OF US. BUT YOU SHOULDN'T BE AFRAID TO SHOW YOURSELF FROM THE BEST SIDE. IN MY OPINION, IN EVERY "STEP" YOU HAVE 2 CHOICES: SHOW THE BEST PART OF YOU AND SHOW THE REAL YOU. OF COURSE, I LIKE THE SECOND MORE.

PUT ON WHAT YOU WILL BE COMFORTABLE IN. WHEN IT COMES TO YOUR PROFESSIONAL SKILLS - TRY TO HIGHLIGHT YOUR STRONGEST QUALITIES THAT ARE ASSOCIATED WITH YOUR FUTURE POSITION IN THE COMPANY. RELAX (IT'S EASY TO SAY, BUT MOST LIKELY IT WON'T WORK :)). COMMUNICATION IS VERY IMPORTANT. THE COMPANY NEEDS PEOPLE WHO WILL CONSULT TO SOLVE THE PROBLEM. WHAT NOT TO DO IN AN INTERVIEW? EVERYTHING IS PRETTY OBVIOUS, DO NOT RAISE YOUR VOICE, AND IF SUDDENLY A PERSON IS MISTAKEN, SORT IT OUT TOGETHER OVER HIS MISTAKE, IT WILL BE BENEFICIAL. WHEN FINALLY EVERYTHING IS OVER, WAIT FOR FEEDBACK IF THIS DID NOT HAPPEN, MOVE ON, THE MAIN THING IS NOT TO GET UPSET AND BE HUMAN.
